Why I write: How do I say something that doesn't sound cliché or overstated...I write first because I have a lot of ideas and stories in my head, I enjoy it (even when its hard to get a word down), and I write hoping one day my work will change lives, inspire and ultimately bring Glory and honor to the Kingdom of God.

I write:

Fiction: ___short stories ___Y_books Genres: Historical Fiction & Fantasy

Nonfiction: ___articles ___personal experience stories ___Y_devotions ___books Genres:

Other: ___poetry ___scripts

My audience ___Y_Christians ___Ygeneral public ___women ___men ___teens ___children

I'm currently working on: A devotional book, finishing my fantasy novel, and mapping out the second book for my Historical fiction book.

My greatest joy and/or struggle in writing is: Greatest Joy – I really enjoy editing! I am so happy once the story is down and I love getting the story and the sentences of my work as beautiful and captivating as possible. I struggle with the beginning of any work....starting is the hard part, staying with it is easier once I have traction.
