

Phrases for Social Media to grab attention
By Karen Whiting

Inspiration

- Your voice was never meant to sound like everyone else's.
- What you've lived through can become what others survive.
- Delayed doesn't mean denied—it means developed.
- You don't need more clarity to begin—you need courage.
- Fear is loud, but it is not in charge.
- The page is not waiting for perfection; it's waiting for honesty.
- Small beginnings still carry eternal impact.
- You are allowed to grow while you are still visible.
- The call on your life is stronger than your excuses.
- You don't need a perfect plan to take a faithful step.
- What you survived is evidence you were equipped.
- Your obedience may outgrow your comfort zone.
- Stop disqualifying yourself from what God has already qualified.
- Every closed door can redirect you, not reject you.
- our story gains power when you stop hiding it.
- You are not behind—you are being prepared.
- The message you carry is meant to be shared, not stored.
- Courage is choosing action while fear is still present.
- What feels ordinary in you may be transformational for someone else.
- You don't need more proof that you're called—you need practice walking it out.
- Your assignment is not dependent on your confidence level.
- God can multiply what you are willing to release.
- Writing it down is often the first step to walking it out.
- Your breakthrough may be on the other side of your obedience.

Writers

- You don't need a perfect idea—just a faithful beginning.
- Writers don't wait for clarity; clarity often comes through writing.
- The draft is where courage shows up before confidence does.
- What you write in private may change lives in public.
- Your consistency matters more than your creativity on any single day.
- Don't edit your calling before you've written your obedience.
- Every page you finish weakens fear's hold on you.
- The world doesn't need more ideas—it needs your perspective.
- Writing is how you make invisible burdens visible and redeemable.
- You are not behind—you are in process.
- The message grows stronger as you show up repeatedly.
- Stop waiting to feel ready; start writing until you become ready.
- Your unfinished work still carries value.

- Discipline is the bridge between inspiration and impact.
