TO CHECK-IN next Monday June 15 or Tuesday June 16

In order to access the conference dashboard (the only way to get around the conference)

You need to check in **BEFORE** the conference.

Staff will be available to get you checked in at these times. It should only take about 5 minutes.

Monday June 15 from 10 am to 9 pm ET or

Tuesday, June 16 from 10 am to 9 pm ET.

Wednesday, June 17 - If you *absolutely* can't make those days/times work, someone will be available to sign you in on Wednesday, June 17, before the conference begins from 10 am thru 1:30 pm Eastern.

We will continue to sign-in late registrants during the conference (and YOU if you can't make the above days/times work), but you'll need to text Donna at 484-264-9028 or Chris at 720-530-7997 when you're ready to sign-in.

HOW TO CHECK IN

- ENTER **wha2026.obv.io** in your browser. (Do NOT preface this with "https://" or "www.")
- This takes you to a snowy mountain picture to Check In.
- ENTER your email and then our password **20262026**.
 - a. **IMPORTANT**: Your ID is the email you provided on your application and that Marlene has been using to reach you.
 - b. **Spell your name** the same way as it is on the [Faculty page](#) on the website.
 - c. Your **password** at check-in and throughout the conference is **20262026**. If you are asked to create a new password, please do not.

If you have a problem reaching us, try switching your **browser to Edge, Firefox, or Safari**.
Chrome Book and the Chrome and Google browsers are not recommended.

- **SIGN** the **waiver**.

The entire June 17 – June 20, 2026, Write His Answer Conference will be live and videotaped except for "mealtime" round tables, critique groups, appointments, and small group breakouts. (They will be live but not recorded.)

I grant Write His Answer Ministries to:

- A. Use brief excerpts from any of my presentations that are videotaped and my image in promotional materials both online and in print.
- B. Videotape my keynote, continuing session, workshop, learning lab, and any panel I serve on. The link to access all the videos on a private YouTube channel will be available to faculty from mid-August through the end of the year at NO charge for faculty. I understand my video(s) will have an initial frame that includes a copyright notice in my name. On request we will download and send you the file that is yours to use however you want (probably through We Transfer). Be watching for an email after the conference for the various options you can choose from to receive your videos.
- C. Because of the huge amount of time it takes to download the videos, clean them up, and upload them to YouTube, last year we began no longer including the videos as part of the registration fee. Instead, we encourage conferees to purchase access from mid-August through the end of the year for an add-on fee of only \$59. After the conference, the price increases to \$89 for conferees. Last year we found that by paying extra for access to the videos the conferees were motivated to watch more videos and not to wait until December.
- D. Sell access to the videos from mid-August through the end of the year AFTER the conference to non-conferees for \$159. [As of June 13, 110 have registered – half the number we expected. Hopefully post-conference video sales will be part of God’s provision to help cover our expenses as well as expand your ministry to our conferees.]
- E. Post any handouts I provide at conference.writehisanswer.com/handouts2026. This URL is only available to conferees, other faculty, staff, and those who purchased access to the videos after the conference. They will be taken down the end of the year.

- **CLICK** the blue **SUBMIT** bar.
- **This takes you to a Tech Check** Zoom room. **Click to join.**
One of our staff will be waiting for you in this Zoom room to make certain you and your computer are ready to participate in the conference. **You can expedite this** by making sure you are using the latest version of Zoom. [Click here](#) for instructions. (The conference uses a powerful platform called Obvio that utilizes Zoom. You will enter Zoom through our Obvio dashboard.) It’s also wise to go into your settings and disable automatic updates.
- **The Check In is completed** when you have no more questions. **CLICK** “Leave the Meeting” on the bottom of the page as you would any Zoom meeting. It will take you to the DASHBOARD. Please visit and take time to familiarize yourself with it.

SIGN-IN TO GO ONLINE FOR THE LIVE CONFERENCE

The conference starts at **2 pm Eastern Time on Wednesday, June 17.**

- You will receive your schedule, so you'll know when you need to be online. You have been scheduled only during the times you made available to me. Of course, you are welcome and encouraged to attend anything that interests you.
- **ENTER** **wha2026.obv.io** in your browser. Takes you to the **snowy mountain** picture.
- **ENTER** your **email** and password **20262026**. This takes you to the **DASHBOARD**.
You will need to do this whenever you reenter the conference.
You do not need to check out when you leave.
- From the **DASHBOARD** – our conference hub – you'll see the schedule of what is happening each day. From here simply follow the conference agenda and **click on the room where you need to be 15 minutes before you are scheduled to present.** Another group will just be leaving. One of our team will see you on screen and use the chat to get you ready to present. If you plan to use PowerPoint and Screen Share, you will be made a co-host.

Our prayer team is covering you and the conference. We are expecting God will do Ephesians 3:20 things.
