

Name: Cheryl Weber

Mission Statement:

To communicate life-changing truths from God's Word through creative writing and stories and to teach others to do the same.

Cheryl has a heart to help others appreciate who God created them to be as they discover and follow his purposes for their lives. She has studied various topics with the University of the Nations through Youth With A Mission including the performing arts, Bible, and writing, and has served on the staff of YWAM'S School of Writing. She also leads Lancaster Christian Writers.

Why I write: I write because I am gifted in it and because story and words are some of the most powerful ways to change the world for God's kingdom. Most of all, I write because God has called me to do it.

I write:

Fiction: Books in fantasy/allegorical

Nonfiction: articles, personal experience stories, devotions

Other: ___poetry ___scripts

My audience ___X___Christians ___general public X___women ___men ___teens ___children

I'm currently working on: **Dawn of Hope**, the second book in my *Children of Elohim Series*. I am also gradually compiling several books of devotions, the first of which will be entitled, *Light in My Darkness*. And I am working on two personal experience articles/blogs for others.

My greatest joy and/or struggle in writing is: Feeling overwhelmed by all there is to do and discerning what ideas are from God and what are from my own desires/interests

I'd like to meet writers who: Are honest about their struggles and who are prayer warriors and really committed to regular writing.

___X___I belong to a writers' group that is open to new members.

___I would like to find a writers' group.

Giant snake gods. Worshippers of sensuality. A jealous rebel. A failing king. A courageous, young prince who struggles to uphold truth and justice. Caught in the middle, one young woman fights for her future and the very destiny of her soul.

Ariel Summerfield was a girl when tragic loss, followed by a devastating betrayal, broke her heart and robbed her and her family of wealth and prestige. Ten years later, she is still struggling to hold them all together. Can what was lost be restored? Will she ever be free to pursue her dreams?

But those with vile intentions for Ariel lay in wait. And one terrible day, she finds herself captive to a fate she never would have chosen. Will she yield to the voice that promises victory over her enemies but leads to the ultimate destruction of body and soul? Or will she entrust her life and dreams to the all-powerful One who cherishes her like no other and can redeem the shattered remnants of her life? Even when all seems lost.
